Data Protection Health Check

Protect Your Data. Protect Your Business.

Overview

In a world where data breaches and regulatory penalties are rising, documentary compliance isn't optional—it's essential. Our **Data Protection Health Check** is a structured, end-to-end review of your organisation's data security documentation, ensuring you're not only compliant but resilient

What's Included

1. **Regulatory Compliance Review**
    - Assess alignment with UK GDPR, Data Protection Act 2018, Privacy and Electronic Communication Regulations and other relevant regulations.
    - Identify gaps in consent management, data retention, and subject rights processes.

2. **Data Mapping & Classification**
    - Create an overview of your data assets—what you have, where it's stored, and how it flows.
    - Highlight areas of unnecessary data storage or risky data transfers.

3. **Analysis**
    - Identify potential non-compliances and allocate risk factors
    - Prioritised risk scoring to focus on the most urgent issues first.

4. **Actionable Recommendations & Roadmap**
    - Clear, tailored steps to improve your documentation, reduce risk, and meet compliance.
    - Timeline and cost estimates for remediation.

Why Choose Us?

- **Expert-Led:** Conducted by seasoned data protection specialists.
- **Regulatory Insight:** Deep understanding of data protection laws.
- **Practical Solutions:** We don't just point out issues—we help fix them.
- **Business-Focused:** Designed to protect your brand reputation and operational continuity.
- **Certainty on pricing:** Our Data Protection Health Checks are conducted on a fixed fee basis and will agree the price of any subsequent work required in advance.

Deliverables

- Executive summary for leadership teams.
- Prioritised remediation plan.
